## 1 Objectives and Approach

- 1.1 This document outlines the Selection Policy (the “Policy”) which GB Snowsport (“GBS”) will follow when nominating athletes to represent the United Kingdom of Great Britain and Northern Ireland (hereinafter referred to as ‘GBR’) at the Olympic Winter Games in Beijing 2022 (OWG), and relates to all snowsport disciplines managed by GBS
- 1.2 The Policy sets out the overarching primary criteria for nomination (“nomination”) to represent GBR at the OWG and must be read in conjunction with the Schedules (the “Schedules”) to this document. Each Schedule represents a specific policy relating to a specific Olympic discipline
- 1.3 The Policy will be in place for the Olympic Qualification Period from 1st July 2020 to 16th January 2022
- 1.4 This document should be read together with the qualification requirements produced by the International Olympic Committee (IOC) and International Ski Federation (FIS). Should these requirements change at any point, and the changes directly impact the content of the Policy, revisions may be made, and a further version of the Policy published. Consequently, such Policy and Schedule will supersede all earlier versions and will be versioned and dated such that no earlier policies may be used or deemed relevant. The current Policy will be available on the GBS website
- 1.5 The British Olympic Association (BOA) is ultimately responsible for Selection of athletes to the OWG
- 1.6 The Policy also describes the Appeal Process. Any Appeal against a decision of the Selection Panel must follow strict procedures laid down in the Appeal Process (the “Appeal Process”). There is a financial charge for making an Appeal in order to discourage frivolous Appeals
- 1.7 The Policy and/or the Selection Criteria contained herein may be amended from time to time by GBS and/or the BOA, including in particular in the event that COVID-19 materially impacts any matters related to this policy including in respect of qualification events or timelines.

## **2 The Purpose of the Policy**

- 2.1 The primary purpose of the Policy is to select athletes to maximise GBS medal winning capability at the OWG
- 2.2 The secondary purpose of the Policy is, and where quota places allow, to provide opportunities for the long-term development of athletes who are, in the opinion of the Selection Panel, capable of being podium competitive at future Olympic Winter Games

## **3 The Selection Panel**

- 3.1 The Selection Panel is responsible for the implementation of the Policy. The Chairperson of the Selection Panel will be nominated by the GBS Board.
- 3.2 The Selection Panel will consist of the:
  - GBS Selection Panel Chairperson
  - GBS Head Coach
  - Independent Observer with legal background
  - Chair of the Relevant Discipline Committee (or nominated representative)
  - Relevant GBS Head Coach for the Discipline
  - Olympic Team Manager (non-voting)
  - BOA representative (non-voting)
- 3.3 The Selection Panel comprises 5 voting members, and shall be quorate if 3 members are present, of which one must be either the GBS Selection Panel Chairperson or the GBS Head Coach. The Chair of the Selection Panel has the casting vote in the event of a tie
- 3.4 Discipline Committees should meet to discuss Nominations, following which the GBS Head Coach for the specific discipline must make written recommendations to the Selection Panel. In addition to the written recommendation, additional verbal communications from the Selection Panel or invitees can be accepted during the Selection meeting. Any additional comments must be clearly minuted
- 3.5 Selections will be made without bias or discrimination, and, as such, any conflicts, real or perceived, must be declared and recorded at the start of the meeting. The existence of a disclosed conflict will not preclude a member of the Selection Panel, or attendee,

from participating in deliberations. Depending on the nature of the conflict a member of the Selection Panel may have to abstain from voting if a vote is required

- 3.6 The Selection Panel has total discretion to make Nominations appropriate for the Olympic Games, but in accordance with the purpose of the Policy stated above. It will use, in conjunction with its own assessment, the most recent published discipline specific Selection Criteria as a guide to its deliberations and conclusions. Any Appeal made against a decision of the Selection Panel cannot challenge the exercise of discretion unless the Appeal can demonstrate that the discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant.

## **4 Eligibility**

- 4.1 No athlete who has not satisfied the basic Eligibility criteria may be nominated under or pursuant to the Policy

- 4.2 The athlete must:

4.2.1 Satisfy the Eligibility requirements set out in the Qualification System for XXIV Olympic Winter Games Beijing 2022 document for the discipline (see relevant Schedule)

4.2.1.1 Meet the Age Requirements set out in the Qualification System for XXIV Olympic Winter Games Beijing 2022 document for the discipline

4.2.1.2 Satisfy the medical requirements in accordance with Article 221: Medical Services, Examinations and Doping of the International Ski Competition Rules (ICR)

4.2.1.3 Meet the Additional IF Requirements set out in the Qualification System for XXIV Olympic Winter Games Beijing 2022 document for the discipline

4.2.2 Hold a British Passport and be eligible under FIS rules to compete for GBR

4.2.3 Hold a FIS licence issued by GBR

- 4.2.4 Be WADA compliant and not be banned or suspended from competition due to an Anti-Doping Rule violation (ADRV) ruling or Investigation
- 4.2.5 Not be serving a suspension for any other disciplinary offence
- 4.2.6 Not be considered if, in the reasonable opinion of a GBS Medical Adviser, they are to be physically or mentally unfit to compete
- 4.2.7 Have met the minimum Qualification Standards as set out in the relevant Schedule.
  
- 4.2.8 Have signed the BOA's Team Member's Agreement in order to be selected as a member of Team GB
- 4.2.9 Hold a British passport valid for at least 6 months after the closing date of the OWG 2022
- 4.2.10 Sign and at all times adhere to the GBS's Athlete's Agreement
- 4.2.12 Register their availability for selection for the OWG by no later than 1st July 2021, in writing, by email to [info@gbsnowsport.com](mailto:info@gbsnowsport.com)
- 4.2.13 Comply with the provisions of the Olympic Charter currently in force, included but not limited to, Rule 41 (Nationality of Competitors) and Rule 43 (World Anti-Doping Code and the Olympic Movement Code on the Prevention of Manipulation of Competitions). Only these athletes who comply with the Olympic Charter may participate in the Olympic Winter Games Beijing 2022.

## **5 Selection Process**

- 5.1 The Nomination of athletes to the BOA to represent GBR at the OWG is the sole responsibility of the Selection Panel
  
- 5.2 In all cases, selection by the Selection Panel represents a Nomination to the British Olympic Association (BOA) for its support and ratification and will be conditional on athletes signing and adhering to the BOA Team Member's Agreement (TMA). The final decision regarding selection for the Beijing 2022 OWG therefore lies with the BOA

5.3 The criteria outlined in the Schedules are the main input into the Selection decision making process. In extraordinary circumstances, in particular those where qualification opportunities have been impacted due to COVID-19, the Selection Panel has absolute discretion to consider (and give additional weight to) any other factors they deem relevant in respect of their nomination decisions including (but not limited to) the likelihood of an athlete being podium competitive in future Olympic Games in accordance with the purpose of the Policy. Any such nominations must be made by the GBS Discipline Coach and must be supported with evidence to demonstrate performance capability of achieving the Olympic Qualification Standards if given further competition opportunities, which may include results from 2019 2020 and technical profiling to inform an athletes performance trajectory.

#### **5.4 Reserve Athletes**

5.4.1 GBS will not operate a formal reserve nomination process. In the event that an athlete is withdrawn for illness or injury reasons, a replacement athlete may be considered who meets all eligibility and performance requirements outlined in the Policy. Selection of replacement athletes is at the discretion of the Selection Panel (or Head Coach if after DRM) and BOA and is not subject to the Appeals Process

5.4.2 Similarly, if the BOA is offered and accepts a 'handback' place (i.e. a quota place which is not secured via the usual means but is instead 'handed back' by another NOC), any nomination of athlete(s) by GBS to fill such space(s) shall be at the discretion of GBS and the BOA, subject to such athlete(s) meeting any eligibility and performance requirements outlined in the Policy. Such decisions are also not subject to the Appeals Process

5.5 Following a meeting of the Selection Panel, athletes will be notified of their successful or unsuccessful nomination to the BOA by GBS on 17th January 2022

5.6 Following formal support and ratification of selections by the BOA, successful athletes will be notified by the BOA

5.7 The BOA will publicly announce the athletes selected to represent GBR at the OWG from GB Snowsport

## **De-Selection and Replacements**

### **5.8 De-Selection Pre Delegation Registration Meeting (DRM)**

5.8.1 Any decision to de-select an athlete prior to DRM, provisionally set for 23rd January 2022, is taken by GBS

5.8.2 De-Selection may occur primarily in the event that injury or illness will, in the reasonable opinion of the Selection Panel, prevent the athlete in question from performing at the OWG to the best of their ability, or in the event that the athlete has breached or no longer complies with the Eligibility Criteria set out in clause 4 or Selection Criteria set out in relevant Schedules

5.8.3 In the event of a nominated athlete being de-selected, the Selection Panel will consider nomination of another athlete using the Selection Criteria as set out in the Policy

## 5.9 De-Selection Post DRM

5.9.1 Post DRM, it is the BOA's decision to de-select an athlete and any appeal will be subject to any applicable BOA rules on appeals. Any selection decisions taken after DRM will be in accordance with the IOC's Late Athlete Replacement Policy

5.9.2 The IOC's Late Athlete Replacement Policy primarily provides for replacement of a selected athlete on the basis that they are unfit to compete due to injury and/or illness. In the event of there being a query over the ability of an athlete to be able to compete to the best of his/her ability due to an injury or illness the following procedure will be adhered to:

5.9.2.1 The BOA's Chief Medical Officer can require an athlete to undergo a medical examination to determine his/her fitness to participate. The assessment will determine whether or not the injury or illness is such that the athlete is physically able to compete, or risks causing medical harm to him or herself, or endangering other competitors, officials or spectators

5.9.2.2 If the athlete passes the medical examination carried out but GBS and/or the BOA have concerns over whether or not the athlete is able to compete to the best of his/her ability due to the underlying injury or illness, the Team GB Chef de Mission can require the athlete to undergo a set of pre-determined sports specific performance tests. Those tests will be agreed in advance following consultation with the Team Leader, a physiotherapist and the BOA's Deputy Chef de Mission for Performance

5.10 Should it be possible to replace the de-selected athlete with another eligible athlete, due to the timing associated with making such a decision, the replacement of an athlete following DRM is entirely at the discretion of the Head Coach, acting reasonably and taking into account all of the relevant factors

## 6 Appeal Process

6.1 Any Appeal against a decision of the Selection Panel must follow strict procedures. The following procedure is applicable to all disciplines in respect of Selections.

### Grounds of Appeal

6.2 An athlete, or their Authorised Representative, ("the Appellant"), may make an Appeal against a pre-DRM Nomination decision only on one or more of the following grounds:

6.2.1 there has been a failure to apply the Criteria contained in the relevant Schedule correctly

6.2.2 the Selection Panel has failed to follow its procedures properly; and/or

6.2.3 the Selection Panel's discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant

6.3 The Appellant may only appeal against their own Nomination decision. They cannot appeal the nomination decision of another athlete under any circumstances.

### **The Process**

6.4 In the first instance an Appeal is made to the Selection Panel, who will consider the Appeal and respond, either:

6.4.1 agreeing with the Appellant and changing the original decision; or

6.4.2 rejecting the Appellant's Appeal and explaining its reasons for the decision

6.5 If an Appellant is not satisfied with the outcome of the Selection Panel's further deliberations, then the Appellant, may make a further Appeal (the Second Appeal Notice") to a different panel, the Appeal Panel ("the Appeal Panel"), based on the same grounds of Appeal and Appeal Notice

6.6 Outcomes available to the Appeal Panel are:

6.6.1 to confirm the Nomination decision under Appeal and reject the Appeal; or

6.6.2 to refer the Nomination decision under Appeal back to the Selection Panel, identifying errors they have made in their deliberations or process, (as per the grounds outlined in clause 6.2), and requesting a new decision is made, or the original decision is confirmed correcting any errors made by the Selection Panel, within a timeframe which allows their conclusions to be implemented

### **How to Appeal**

6.7 An Appeal Process is commenced by the Appellant, addressing an email to the Chair of the Selection Panel appealing against the decision made by the Selection Panel that resulted in the athlete not being selected, ("Notice of Appeal"). The email should be sent to [appeals@gbsnowsport.com](mailto:appeals@gbsnowsport.com). The email must be received by GBS within 24 hours of the notification of Nomination/non-Nomination to OWG

6.8 The Notice of Appeal must clearly set out the details of the decision which is being appealed and include full details of the Appellant's ground(s) of Appeal. The Notice of

Appeal should attach any documents or written evidence relevant to the grounds of Appeal and which are relied upon by the Appellant

- 6.9 All Appeals must be accompanied by a bank transfer of £250 which will be refunded should the Appeal be upheld under Clause 6.6.2 above
- 6.10 Following the Appellant being informed of the outcome of the Selection Panel's further deliberations under Clause 6.4, the Appellant can raise a Second Appeal Notice if they do not agree with the outcome of the Selection Panels further deliberations. The Second Appeal Notice is reviewed by an independent Appeals Panel. The Second Appeal Notice must be made via email to [appeals@gbsnowsport.com](mailto:appeals@gbsnowsport.com) and be received by GBS within 2 hours of the Appellant being informed of the Selection Panel's decision under Clause 6.4
- 6.11 In the event of any Appeal, minutes of the Selection Panel's Selection decisions or of any Appeal hearing will be made available to the Appellant upon request and will be provided as soon as reasonably possible. In some cases, it may be necessary to redact elements of the relevant minutes

### **The Appeal Panel**

- 6.12 GBS will nominate an Appeal Panel of at least 3 members, none of whom sat on the Selection Panel, and none of whom are conflicted. One of the members of the Appeal Panel will have a legal background. The members will select a Chair of the Appeal Panel
- 6.13 The Appeal Panel must receive the Second Appeal Notice as soon as reasonably possible after the Appellant's decision under Clause 6.5. The only fee required is when the Appellant first makes an Appeal to the Selection Panel. A second fee is not required if the Appeal reaches the Appeal Panel
- 6.14 The Chair of the Appeal Panel will convene a meeting to take place within a timeframe which allows the decision of the Second Appeal Notice to be reviewed and appraised by the Selection Panel
- 6.15 The Appeal Panel will investigate the grounds of Appeal set out in the Second Appeal Notice and establish, to their reasonable satisfaction, which of the outcomes set out in

Clause 6.6 is appropriate. The Chair of the Appeal Panel will notify the Selection Panel and the Appellant, of their decision immediately after the meeting

6.16 The decision of the Appeal Panel, and if required, subsequent review by the Selection Panel, following the Second Appeal Notice is final. No further Appeal of the same initial grounds of appeal will be considered.

### **Appealing BOA Selection Decision**

6.17 In the event that the BOA does not ratify a nomination by GBS, or in the case of de-Selection that takes place after DRM, the Appellant may appeal that decision under the BOA's Appeals Policy, which will be provided upon request.
