GBS does not condone the use of illegal or prohibited drugs. The athlete must further acknowledge that GB Snowsport, the British Paralympic Association, UKAD, WADA, and the International Paralympic Committee have the right to conduct random, without notice dope testing, both during the course of, and outside competition, and that he/she has read and will comply with the specific rules on Doping and Prohibited Drugs: <http://www.wada-ama.org/en/resources/the-code/world-anti-doping-code>

6. Child Safeguarding

- 6.1. It is the responsibility of all adults and children to treat each other with dignity, respect, sensitivity and fairness regardless of age, gender, race, religion or belief, sexual orientation, ability or disability.
- 6.2. Athletes should report any concerns to the Event Welfare Officer, the GBS Safeguarding and Welfare Officer or parents/carers.
- 6.3. Athletes who fail to abide by the GBS rules may be subject to disciplinary action.

7. Violations of this Code

If there are found to be any violations of this Code, the GBS Disciplinary Policy and Appeals process will be followed and there may be grounds for the suspension of an IPC licence.
