Our Vision, Mission, Objectives, and Values

Our Vision

GB Snowsport’s (GBS) vision is to maximise Britain’s medal potential at the highest levels of global snowsport competition.

Our Mission

Our **Mission** is to create and maintain a high-performance culture and environment for our athletes and staff to succeed and win well.

Our Objectives

1. Identify and support athletes with the potential to win medals on the world stage and develop them to their full potential.
2. Provide the best performance staff within our means, capable of supporting our athletes to achieve their potential.
3. Empower and enable staff to focus on agreed performance and business priorities.
4. Build a sustainable business through best practice governance and business operations, and the development of long-term strategic partnerships.
5. Increase national support for British ski and snowboard athletes by telling and promoting the stories of British success.

Our Medal Targets

Our medal targets, as agreed with our primary funder, UK Sport, for the Milan-Cortina Olympic and Paralympic Winter Games are:

- Olympic: 1-2
- Paralympic: 6-7

Underpinning these targets, we also expect to see increasing levels of podium competitiveness for British ski and snowboard athletes at FIS World Championships, X Games, and FIS World Cup competitions.

Our Values

Our strategy is underpinned by **five values** that we seek to foster across our organisation, and which define our culture. We look to our staff, coaches, and athletes to uphold these values in ways which first and foremost respect one another as people, and through our actions drive our performance on and off snow.

1. **Courage**

We have the physical and mental courage to exhibit confidence, bravery, and resolution when faced with fear and challenges.

2. **Excellence**

We will strive for excellence in performance and work to establish Britain as thought leaders in global snowsport.

3. **Integrity**

We will act with integrity in all that we do, ensuring a culture of trust exists between staff, coaches, athletes, and our partners.

4. **Respect**

We will have consideration for ourselves, others, and the environment. We will at all times have respect for the rules of sport and for the officials who uphold them.

5. **Resilience**

We will confront loss and disappointment with determination, belief, and a willingness to fight to the end, while lifting those around us who need our support.
