1. Objectives and Approach

- 1.1. This document outlines the Selection Policy (the “Policy”) which GB Snowsport (“GBS”) will follow when selecting athletes to represent the United Kingdom of Great Britain and Northern Ireland (hereinafter referred to as ‘GBR’) and relates to all snowsport disciplines managed by GBS.
- 1.2. The Policy sets out the overarching primary criteria for Selection (“Selection”) to represent GBR and must be read in conjunction with the Schedules (the “Schedules”) to this document. Each Schedule represents a specific Policy relating to a specific discipline.
- 1.3. The Schedules provide further detailed information to assist athletes and coaches in understanding relevant criteria likely to be used by the GBS Selection Panel (the “Selection Panel”) for that discipline. When required, additional Schedules may be created and published for major Competitions, examples being the Olympic Qualifying Standards or new qualifying standards published by the International Ski Federation (“FIS”).
- 1.4. The Policy also describes an Appeal Process. Any Appeal against a decision of the Selection Panel must follow strict procedures laid down in the Appeal Process (the “Appeal Process”). Adherence to the process ensures that all Appellants are treated equally. There is a financial charge for making an Appeal to discourage frivolous Appeals.
- 1.5. The Policy and/or the Selection Criteria contained herein may be amended from time to time by GBS, including in particular in the event that COVID-19 materially impacts any matters related to the Policy, including in respect of qualification events or timelines.

2. The Purpose of the Selection Policy

- 2.1. The purpose of the Selection Policy is to:
 - 2.1.1. maximise GBS’s goal of increasing medal outcomes at an Olympic Games or World Championships;
 - 2.1.2. provide opportunities for the long-term development of athletes who are, in the opinion of the Selection Panel, capable of being podium competitive at international Events; and

- 2.1.3. provide the basis for selecting athletes for specific Squads or Competitions, including Junior Squads, when representing GBR.
- 2.2. Policies which relate to specific championships for the current season (1st July to 30th June each year), will be published no later than 30th September, e.g. 30th September 2024 for the 2024/2025 season.
- 2.3. Policies which relate to Squad Selection for the following season will be published no later than 30th September of the preceding season. Selections will be made by 1st July (or nearest date for when the new season FIS point list is published).
- 2.4. Policies which relate to the award of FIS Licences will be published by the relevant Discipline Committee of the GBS Board ("Discipline Committee").
- 2.5. Each Policy and Schedule to the Policy will be versioned and dated such that no earlier policies may be used or deemed relevant. Each current Policy will be available on the GBS Website.

3. The Selection Panel

- 3.1. The Selection Panel, which is responsible for the implementation of the Policy, will be chaired by an individual nominated by the GBS Board.
- 3.2. The Selection Panel will consist of the:
 - Chair nominated by the GBS Board;
 - GBS Performance Director
 - GBS Head Coach;
 - Independent Legal Adviser (as nominated by the GBS Nominations Committee);
 - Chair of the Relevant Discipline Committee (or nominated representative); and
 - Relevant GBS Coach for the Discipline.
- 3.3. The Selection Panel is therefore composed of 6 voting members, and shall be quorate if 3 members are present, one of whom must be the Independent Legal Adviser (unless conflicted) and another is to be either the Chair as nominated by the GBS Board, or the GBS Performance Director.
- 3.4. Discipline Committees should meet to discuss Selections, following which the GBS Head Coach for the specific discipline must make written recommendations to the Selection Panel. In addition to the written recommendation, additional verbal communications from the Selection Panel or invitees can be accepted during the Selection meeting. Any additional

comments must be clearly minuted.

- 3.5. Selections will be made without bias or discrimination, and, as such, any conflicts, real or perceived, must be declared and recorded at the start of the meeting. The existence of a disclosed conflict will not preclude a Selection Panel member, or attendee, from participating in deliberations. Depending on the nature of the conflict a Selection Panel member may have to abstain from voting if a vote is required.
- 3.6. The Selection Panel has total discretion to make Selections appropriate to the competition, championship, series, or Squad but in accordance with the purpose of the Policy stated above. It will use, in conjunction with its own assessment, the most recent published discipline specific Selection criteria as a guide to their deliberations and conclusions. Any Appeal made against a decision of the Selection Panel cannot challenge the exercise of discretion unless the Appeal can demonstrate that the discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant.
- 3.7. Further to 3.6, the Selection Panel will not give any preference to athletes who work or train, or who are in any other way associated with partners of, or entities associated with, GB Snowsport, and all Selections will be made in accordance with the rules and procedures laid down in the Policy.
- 3.8. It should be noted that nominations for Athlete Personal Awards and World Class Programme (“WCP”) membership are dealt with by a committee of the Selection Panel, the Athlete Performance Award (“APA”) Nominations Committee. Please refer to the Olympic APA Selection Policy for further details on this process.
- 3.9. The APA Nominations Committee will consist of the:
 - Chair nominated by the GBS Board;
 - GBS Performance Director
 - GBS Head Coach;
 - Paralympic Programme Manager (Para Nominations);
 - Olympic Programme Manager (Olympic Nominations);
 - Chairman of GBS;
 - CEO of GBS; and

- 4.3. Assuming an athlete meets the above conditions, the athlete is eligible for Selection to a Squad. An athlete cannot be selected for any Senior Event, Senior Championship, or WCP unless that athlete has been selected for the Squad for their age group and/or discipline. In exceptional circumstances, Selection into a Squad can occur at any time – however Selection will generally take place at the end of the European Winter Season in April, May or June of each year.
- 4.4. Any Selection does not entitle an athlete to receive funding (in particular, WCP funding).

5. Selection Process

- 5.1. The Selection Panel is responsible for Selection of all athletes for the Olympic Games and World Championships Teams, for World Cup, Europa Cup, Development and FIS Squads, and for Youth Olympic Games, European Youth Olympic Winter Festival and Junior World Championships Teams.
- 5.2. When selecting athletes for the Olympic Games, World Championships, Youth Olympic Events and Junior World Championships Teams, the Selection Panel will not select replacement athletes at the initial Selection Meeting. The GBS TSC will be made up of the Chairman of the GBS Telemark Discipline Committee, GBS Head Coach, Team Captain (non-voting member), GBS Telemark Discipline Committee Member, GBS Telemark Head Coach, and co-opted member(s) (at the discretion of the GBS TSC).
- 5.7. The Discipline Committees Chairs are responsible for the publication of specific Selection criteria relevant to their particular sport, other than the Olympic Games or World Championships. For Olympic Games and World Championships, the Selection Panel will meet with Discipline Committees to define and design specific Selection criteria.
- 5.8. The criteria outlined in the Schedules are the main input into the Selection decision making process.
- 5.9. Following Selection Panel meetings, athletes will be notified of their Selection/non-Selection by GBS and Selections will be published on the GBS Website once the Appeals window has closed.

6. Late Athlete Replacement

- 6.1. In the event that an athlete selected for the Olympic Games and World Championships Teams or for Youth Olympic Games, European Olympic Winter Festival and Junior World Championships Teams, is unable to participate in the Event due to medical conditions [or other exceptional reasons], the Selection Panel, after consultation with the athlete and any appropriate medical experts [approved by GBS] (where deemed appropriate), will reconvene in order to select a replacement athlete in accordance with this clause.
- 6.2. In the event that an athlete selected for an Under 16 or Under 14 Competition or Event, is unable to participate in the Event due to medical conditions [or other exceptional reasons], the Selection Panel, after consultation with the athlete and any appropriate medical experts [approved by GBS](where

deemed appropriate), will reconvene in order to select a replacement athlete in accordance with this clause.

- 6.3. When selecting a replacement athlete, the Selection Panel will consider results obtained in Competitions during the current season with greater emphasis on more recent results in order to select on current form. The Selection Panel has total discretion to make selections appropriate to the Event but in accordance with the purpose of the Policy.
- 6.4. Where a replacement athlete is required for the Olympic Games, Youth Olympic Games or European Youth Olympic Winter Games, a late athlete replacement may be made up to 7 days before the first Team Captains' Meeting for the relevant [discipline].
- 6.5. Where a replacement athlete is required for the World Championships or Junior World Championships Teams, a late athlete replacement may be made up to 4 days before the first Team Captains' Meeting for the relevant [discipline].
- 6.6. Where a replacement athlete is required for an Under 16 or Under 14 Competition or Event, a late athlete replacement may be made up to 48 hours before the first Team Captains' Meeting for the relevant [discipline].
- 6.7. A Late Athlete Replacement is only possible if the replacement athlete meets the eligibility conditions laid down in the Policy.
- 6.8. Following Selection Panel meetings, athletes will be notified of their Selection/non-Selection by GBS [and Selections will be published on the GBS Website once the Appeals window has closed].
- 6.9. If an athlete wishes to appeal a decision made pursuant to this clause, then Clause 7 of the Policy will apply except that the Notice of Appeal must be sent within 24 hours of the notification of Selection/non-Selection for the Competition or Event.
- 6.10. If a replacement athlete is required for the World Championships or Junior World Championships Teams after the time frames laid down in Clause 6.5, the Selection Panel has absolute discretion to select a replacement athlete for the relevant Event from the athletes already selected to the Team. In such circumstances, it will not be possible for athletes to appeal this decision.

7. Appeal Process

- 7.1. Any Appeal against a decision of the Selection Panel must follow strict procedures. The following procedure is applicable to all disciplines in respect

of Selections.

- 7.2. Any Appeal against Selection for an Olympic Games must follow the Appeal Process laid down in the Olympic Games Selection Policy.

Grounds of Appeal

- 7.3. An athlete, or their Authorised Representative, (“the Appellant”), may make an Appeal against a Selection decision only on one or more of the following grounds:
- 7.3.1. there has been a failure to apply the Criteria contained in the relevant Schedule correctly;
 - 7.3.2. the Selection Panel has failed to follow its procedures properly; and/or
 - 7.3.3. the Selection Panel’s discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant.

The Process

- 7.4. In the first instance an Appeal is made to the Selection Panel, who will consider the Appeal and respond, either:
- a) agreeing with the Appellant and changing the original decision; or
 - b) rejecting the Appellant’s Appeal and explaining its reasons for the decision.
- 7.5. If an Appellant is not satisfied with the outcome of the Selection Panel’s further deliberations, then the Appellant may make a further Appeal (“the Second Appeal Notice”) to a different panel, the Appeal Panel (“the Appeal Panel”), based on the same grounds of Appeal and Appeal Notice.
- 7.6. Outcomes available to the Appeal Panel are:
- 7.6.1. to confirm the Selection decision under Appeal and reject the Appeal; or
 - 7.6.2. to refer the Selection decision under Appeal back to the Selection Panel, identifying errors they have made in their deliberations or process, (as per the grounds outlined in clause 7.3), and requesting a new decision is made, or the original decision is confirmed correcting any errors made by the Selection Panel within a timeframe which allows their conclusions to be implemented.

How to Appeal

- 7.7. An Appeal Process is commenced by the Appellant, addressing an email to the Chair of the Selection Panel appealing against a decision made by the Selection Panel that resulted in the athlete not being selected. (“Notice of

Appeal”). The email should be sent to appeals@gbsnowsport.com. The email must be sent within 2 business days of the notification of Selection/non-Selection for a Competition, or within 5 business days of any Squad Selection notification/non-Selection. For BOA lead events, e.g. EYOF 2025, given tight deadlines set by the IOC, the Appeal window will be 1 business day.

- 7.8. The Notice of Appeal must clearly set out the details of the decision which is being appealed and include full details of the Appellant's ground(s) of Appeal. The Notice of Appeal should attach any documents or written evidence relevant to the grounds of Appeal and which are relied upon by the Appellant.
- 7.9. All Appeals must be accompanied by a bank transfer of £250 which will be refunded should the Appeal be upheld under Clause 7.6.2 above.
- 7.10. Following the Appellant being informed of the outcome of the Selection Panel's further deliberations under Clause 7.4, the Appellant can raise a Second Appeal Notice if they do not agree with the outcome of the Selection Panels further deliberations. The Second Appeal Notice is reviewed by an independent Appeal Panel. The Second Appeal Notice must be made via email to appeals@gbsnowsport.com and be received by GBS within 2 business days (Squad Selection), or 1 business day (Competition Selection) of the Appellant being informed of the Selection Panel's decision under Clause 6.4. For EYOF 2025, given tight deadlines set by the IOC, the Second Appeal Notice must be received by GBS within 2 hours of the Appellant being informed of the Selection Panel's decision under Clause 7.4.
- 7.11. In the event of any Appeal, minutes of the Selection Panel's Selection decisions or of any Appeal hearing will be made available to the Appellant upon request and will be provided within one business day of such request. In some cases, it may be necessary to redact elements of the relevant minutes.

The Appeal Panel

- 7.12. GBS will nominate an Appeal Panel of at least 3 members, none of whom sat on the Selection Panel, and none of whom are conflicted. One of the members of the Appeal Panel will have a legal background. The members will select a Chair of the Appeal Panel.
- 7.13. The Appeal Panel must receive the Second Appeal Notice within the time frames stated in Clause 7.10. The only fee required is when the Appellant first makes an Appeal to the Selection Panel. A second fee is not required if the Appeal reaches the Appeal Panel.
- 7.14. The Chair of the Appeal Panel will convene a meeting to take place within 5 business days of the Second Appeal Notice, (Squad Selection) or, if urgent for reasons of a specific event, then to take place within a time frame which allows their conclusions to be implemented.

- 7.15. The Appeal Panel will investigate the grounds of Appeal set out in the Second Appeal Notice and establish, to their reasonable satisfaction, which of the outcomes set out in Clause 6.6 is appropriate. The Chair of the Appeal Panel will notify the Selection Panel and the Appellant of their decision immediately after the meeting.
- 7.16. The decision of the Appeal Panel, and if required, subsequent review by the Selection Panel, following the Second Appeal Notice is final. No further Appeal of the same initial grounds of appeal will be considered.

General Principles

 - C.5.1.1. The Selection Panel shall weigh up recent performance against consistent performance over the season and shall also consider potential performance in the technique(s), over the distance(s) and for the format (individual or team) at the event. In general, greater emphasis shall be placed on more recent results to select on current form, but subject to the conditions in Clause C 5.1.
 - C.5.1.2. If the Selection Panel believe that the chance of a podium position is higher in the Team Race or in individual races (or in an individual race), or *vice-versa*, they may prioritise the selection of athletes for the Team Race over athletes for individual races, and *vice-versa*. This provision applies even if the athlete(s) selected have somewhat lower overall performance than those not selected.
- C.5.2. The Selection Panel has discretion to select the athletes for individual races at an event who, in their reasonable opinion, are most likely to achieve the best result at the event as per the Purpose of the Policy. Such factors include (in no order of priority) but are not limited to:

 - C.5.2.3. if the selection could provide opportunities for the long-term development of athletes who are, in the opinion of the Selection Panel, capable of being podium competitive at international events as per the Purpose of this Policy.

C.5.3. The Selection Panel has discretion to select the athletes for the Team Race who they believe will achieve the best result in the that race as per the Purpose of the Policy. Such factors include (in no order of priority) but are not limited to:

C.5.3.1. FIS points accumulated during the current season,

C.5.3.2. athletes' world ranking in sprints and/or distance during the current season with a preference for results in races under 20k

C.5.3.3. results obtained in races during the season generally, with greater emphasis on more recent results to select on current form.

C.5.4. Selection of athletes for the event as a whole (taking account of Clauses C.5.1. to C 5.3.) shall be taken in advance of the event.

Final selection for each Individual Race and the Team Race (if applicable) shall be made in venue at the event by the GBS Cross-Country Nominated Coach for the event, and these decisions shall be final.

P.5.2. *1 Athletes that meet the Selection Criteria in one Telemark discipline may compete in other disciplines if recommended by the appropriate coaching staff representing GBS at that event, providing that they meet the eligibility criteria stated by FIS.

P.5.3. The GBS TSC will consider all eligible athletes 60 days prior to the start of the Championships (athletes must hold an active FIS Telemark licence to be eligible).

P.5.4. The GBS TSC will consider athletes who have not been selected for the Championships team yet meet the Selection criteria during the 60 days between the team announcement and the start of the Championships. Additional Selections to the team may be made on that basis by the GBS TSC to provide for exceptional results after the Selections have been announced, quota places allowing.

P.6. Telemark Development Pathway

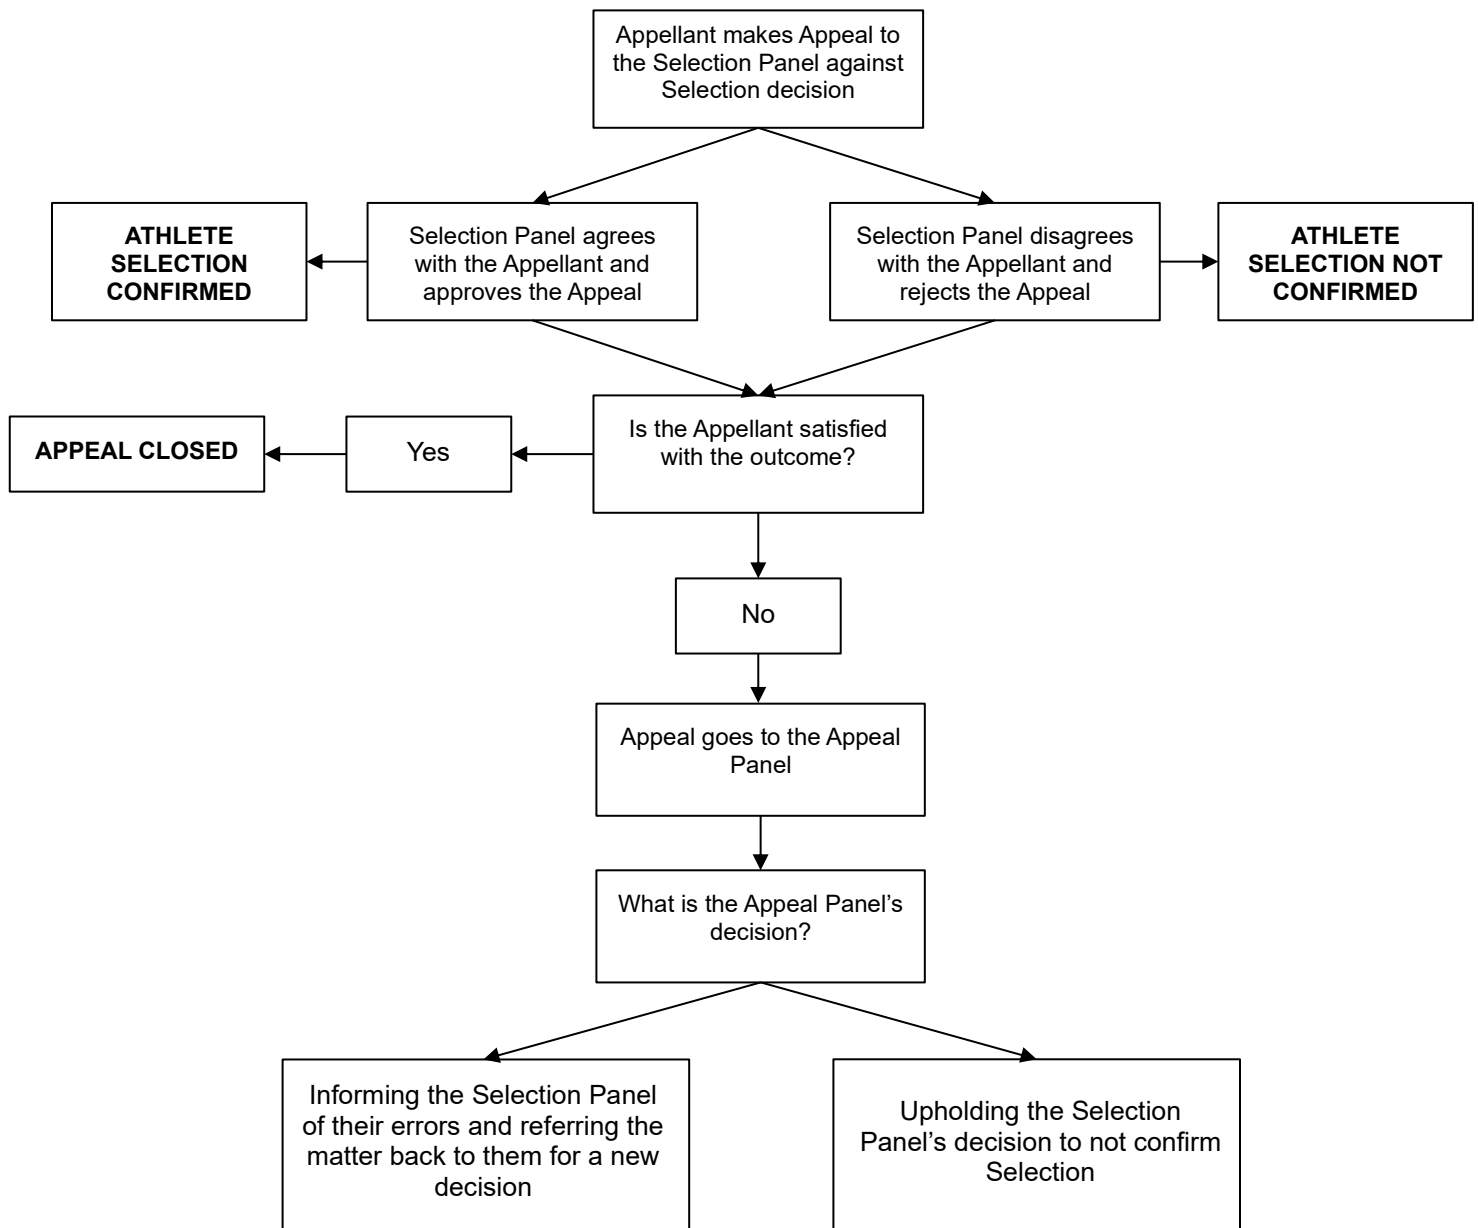

(1) Development Squad may be invited to train with WC Squad and FIS Squad by the GBS TSC if appropriate.

(2) FIS Squad should train with WC Squad and are expected to participate in NC and FIS races, thus a FIS licence is mandated.

(3) FIS Squad may participate at a WC or WJC/WSC at discretion of the Coach and GBS TSC if their participation is beneficial and likely to credit the team; noting that there are currently no quota limitations and the field is usually larger at WSC.

Q. Appeals Process Flowchart

*The Appeal Panel may only reverse the Selection Panel's decision if the athlete's health and/or safety was not one of the reasons for the original decision.
