1. OBJECTIVES AND APPROACH

1.1 This document outlines the Selection Policy (the "Policy") which GB Snowsport ("GBS") will follow when nominating athletes (and guides) to represent the United Kingdom of Great Britain and Northern Ireland (hereinafter referred to as 'GBR') at the 2027 FIS Para Alpine World Ski Championships (WCH) in Tignes, France.

1.2 The Policy sets out the overarching primary criteria for selection ("selection") to represent GBR at the WCH and must be read in conjunction with the Schedules (the "Schedules") to this document.

1.3 This document should be read together with the Tignes 2027 FIS Para Alpine World Ski Championships Qualification Guide. Should these requirements change at any point, and the changes directly impact the content of this Policy, revisions may be made, and a further version of the Policy published. Consequently, each Policy and Schedule will supersede all earlier versions and will be versioned and dated such that no earlier policies may be used or deemed relevant

1.4 The Policy also describes the Appeal Process. Any Appeal against a decision of the Selection Panel must follow strict procedures laid down in the Appeal Process (the "Appeal Process"). Adherence to the process ensures that all Appellants are treated equally. There is a financial charge for making an Appeal in order to discourage frivolous Appeals

1.5 The Policy and/ or the Selection Criteria contained herein may be amended from time to time by GBS. Should revisions be made, a further version of the Policy will be published. Consequently, each Policy and Schedule will supersede all earlier versions and will be versioned and dated such that no earlier policies may be used or deemed relevant.

2. THE PURPOSE OF THE POLICY

2.1 The primary purpose of the Policy is to select the athletes and guides who will maximise GBS medal winning potential at the Tignes 2027 FIS Para Alpine World Ski Championships

2.2 The secondary purpose of the Policy is to provide opportunities for the long-term development of athletes who are, in the opinion of the Selection Panel, capable of being podium competitive at future FIS Para Alpine World Ski Championships and Paralympic Winter Games

3. THE SELECTION PANEL

3.1 The Selection Panel is responsible for the implementation of the Policy. The Chairperson of the Selection Panel will be nominated by the GBS Board.

3.2 The Selection Panel will consist of the following:

- the Performance Director, or any other person nominated by the Board, who shall serve as chair
- the Head Coach
- an independent person with a legal background, who shall be nominated by the Company's Nominations Committee to serve for a twelve-month period
- Head of Paralympic Programmes
- Para Alpine Lead Coach

3.3 The quorum necessary for the transaction of business relating to each discipline shall be three members, one of whom must be the independent legal person (unless conflicted under 3.5 below) and another is to be either the PD (or any other person nominated by the Board to chair the Panel) or the Head Coach. Decisions of the Panel are taken by a simple majority vote without taking abstentions into account; in the event of a tie the chair of the meeting has the casting vote.

3.4 The panel may invite others with specialist knowledge to contribute for all or part of a meeting.

3.5 Selections will be made without bias or discrimination, and, as such, any conflicts, real or perceived, must be declared and recorded at the start of the meeting. The existence of a disclosed conflict will not preclude a Selection Panel member, or attendee, from participating in deliberations. Depending on the nature of the conflict, a Selection Panel member may have to abstain from voting if a vote is required.

3.6 The Selection Panel has total discretion to make Selections appropriate for the WCH, but in accordance with the purpose of the Policy stated above. The Selection Panel will use, in conjunction with their own assessment, the most recent published discipline specific Selection Criteria as a guide to their deliberations and conclusions. Any appeal against a decision of the Selection Panel cannot challenge the exercise of discretion unless the appeal can demonstrate that the discretion has been exercised in a biased and/or conflicted manner that is prejudicial to the appellant Athlete.

4 ELIGIBILITY

4.1 Eligibility for athletes to represent GBR at the Tignes 2027 FIS Para Alpine World Ski Championships requires athletes to meet both Eligibility (FIS and GBS) and discipline specific Performance Standards

4.2 Guides are required to meet Eligibility Criteria and discipline specific Performance Standards

4.3 **Sport Specific Eligibility (Athletes only):** Each discipline has specific eligibility criteria set by the International Federation. This information is outlined by discipline in the attached Schedules

4.4 **GBR Eligibility (Athletes and Guides):** No athlete may be selected under or pursuant to the Policy unless they have satisfied the basic eligibility criteria. The athlete must:

4.4.1 Satisfy all relevant discipline specific Eligibility requirements set out in the Qualification Guide for the Tignes 2027 FIS Para Alpine World Ski Championships

4.4.2 Hold a British Passport valid for at least 6 months after the closing date of the Tignes 2027 FIS Para Alpine World Ski Championships and be eligible under FIS rules to compete for GBR

4.4.3 Hold an FIS Race licence, issued by GBR for the 2026-2027 season

4.4.4 Be WADA compliant and not be banned or suspended from competition due to an Anti-Doping Rule violation (ADRV) ruling or Investigation

4.4.5 Not be serving a suspension for any other disciplinary offence

4.4.6 Not be considered if, in the reasonable opinion of the GBS CMO, they are physically or mentally unfit to compete

4.4.9 not have any outstanding financial obligations to GBS.

4.5 **Performance Standards:** Athletes and Guides must meet the discipline specific performance standards as set out in the attached Schedules

5 SELECTION PROCESS

5.1 The selection of athletes and guides to represent GBR at the Tignes 2027 FIS Para Alpine World Ski Championships is the sole responsibility of the Selection Panel

5.2 The criteria outlined in the Schedules are the main input into the Selection decision making process

5.3 Guide selections will be made in the same Selection Meeting as the Visually Impaired (VI) athlete selections via the Selection Panel process outlined above

5.4 **Wildcard Applications:** FIS are not offering Wildcard slots at the Tignes 2027 FIS Para Alpine World Ski Championships, therefore there is no Wildcard applications process available.

5.5 **Reserves:** GBS will not operate a formal reserve selection process. In the event that an athlete or guide is withdrawn or deselected, a replacement athlete or guide, who meets all eligibility and performance standards outlined in the Policy and relevant Schedule, may be considered. Selection of replacement athletes or guides is at the sole discretion of the Selection Panel and is not subject to the Appeals Process.

5.6 **Guides:** It is worth noting that GBS may choose to select more guides than VI athletes for performance reasons. This is not considered a formal reserve selection process. Guides will be selected as full team members and will be allocated performance roles with the intention to best support the performance of the selected VI athletes

5.7 Following Selection Panel meetings, athletes and guides will be notified of their successful or unsuccessful selection by GBS no later than the 3rd March 2027

5.8 GBS will publicly announce the athletes and guides selected to represent GBR at the WCH from GB Snowsport disciplines

Deselection and Replacements

5.9 At any time prior to the start of the WCH, GBS reserves the right to withdraw an athlete or guide's selection should they:

5.9.1 In the reasonable opinion of the Panel, experience a significant drop in form which suggests that they may not be able to deliver (or in the case of a guide, support their VI athlete to deliver) performances at the WCH at least equivalent to performances which gained them selection at the date of the meeting at which they were nominated

5.9.2 In the reasonable opinion of the GBS CMO, in consultation with relevant external specialists (where appropriate and practical), be affected by injury/illness (physical health and mental health) which impacts on their potential to deliver (or, in the case of a guide, support the VI athlete to deliver) performances at the WCH at least equivalent to the performances which gained them selection at the date of the meeting at which they were nominated

5.9.3 Breach or no longer comply with the Eligibility Criteria (FIS and GBS) or selection criteria set out in the relevant schedules

5.9.4 In the case of guides, behave in a manner which the Panel believes would be detrimental to their VI athlete producing his or her best result at the WCH

5.10 In the event of a deselection, GBS may, but will not be obliged, to select a replacement athlete within the scope of what is permitted by the Tignes 2027 FIS Para Alpine World Ski Championships. Prior to the 1st March 2027, the Selection Panel will consider the selection of the replacement athlete or guide using the Selection Criteria as set out in this Policy. The replacement of an athlete or guide post the 1st March 2027 will be at the sole discretion of the Performance Director, Head Coach and Head of Paralympic Programmes. The decision will not be subject to the Appeals Process.

5.11 In the case of withdrawal of any athlete, GBS may, but will not be obliged, to select a replacement athlete within the scope of what is permitted by the Tignes 2027 FIS Para Alpine World Ski Championships. Prior to the 1st March 2027, the Selection Panel will consider the selection of the replacement athlete using the Selection Criteria as set out in this Policy. The replacement of an athlete post the 1st March 2027 will be at the sole discretion of the Performance Director, Head Coach and Head of Paralympic Programmes. The decision will not be subject to the Appeals Process.

5.12 In the case of withdrawal of any guide, the Panel will nominate a replacement guide to race with the impacted VI athlete(s) at the Games – this could be in the form of selecting a new guide or the change of performance role of an existing selected Guide. Prior to the 1st March 2027, the Selection Panel will consider the selection of the replacement guide using the Selection Criteria as set out in this Policy. Post the 1st March 2027, the replacement of a guide will be at the sole discretion of the Performance Director, Head Coach and Head of Paralympic Programmes. At any stage, the decision of replacement guide will not be subject to the Appeals Process.

5.13 The processes outlined above will be reviewed (and amended where required) following publication of FIS's Late Athlete Replacement Policy.

6 APPEAL PROCESS

6.1 Any Appeal against a decision of the Selection Panel must follow strict procedures. The following procedure is applicable to all Paralympic disciplines in respect of Selections

Grounds of Appeal

6.2 An athlete, guide or their Authorised Representative ("the Appellant"), may make an Appeal against a selection decision only on grounds that either:

6.2.1 there has been a failure to apply the criteria contained in the relevant Schedule correctly

6.2.2 the Selection Panel has failed to follow its procedures properly

6.2.3 the Selection Panel's discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant

6.3 The Appellant may only appeal against their own selection decision. They cannot appeal the selection decision of another athlete or guide under any circumstances.

The Process

6.4 In the first instance an Appeal is made to the Selection Panel, who will consider the Appeal and respond, either:

6.4.1 agreeing with the Appellant and changing the original decision; or

6.4.2 rejecting the Appellant's Appeal and explaining its reasons for the decision

6.5 If an Appellant is not satisfied with the outcome of the Selection Panel's further deliberations, then the Appellant may make a further Appeal ("the Second Appeal Notice") to a different panel, the Appeal Panel ("the Appeal Panel"), based on the same grounds of Appeal and Appeal Notice

6.6 The outcomes available to the Appeal Panel are:

6.6.1 to confirm the original selection decision under Appeal will stand and reject the Appeal; or

6.6.2 to refer the selection decision under Appeal back to the Selection Panel, identifying any errors they have made in their deliberations or process (as per the grounds outlined in clause 6.2), and requesting a new decision is made, or the original decision is confirmed correcting any errors made by the Selection Panel, within a timeframe which allows their conclusions to be implemented

How to Appeal

6.7 An Appeal Process is commenced by an Appellant addressing an email to the Chair of the Selection Panel appealing against a decision made by the Selection Panel that resulted in the athlete or guide not being selected ("Notice of Appeal"). The email should be sent to appeals@gbsnowsport.com. The email must be received by GBS within 24 hours of the notification of selection/ non-selection to the WCH

6.8 The Notice of Appeal must clearly set out the details of the decision which is being appealed and include full details of the Appellant's ground(s) of Appeal. The Notice of Appeal should attach any documents or written evidence relevant to the grounds of Appeal and which are relied upon by the Appellant

6.9 All Appeals must be accompanied by a bank transfer of £250 which will be refunded should the Appeal be upheld under Clause 6.6.2 above

6.10 Following the Appellant being informed of the outcome of the Selection Panel's further deliberations under Clause 6.4, the appellant can raise a Second Appeal Notice if they do not agree with the outcome. The Second Appeal Notice is reviewed by an independent Appeals Panel, as outlined in Clause 6.12. The Second Appeal Notice must be made via email to appeals@gbsnowsport.com and be received by GBS within 2 hours of the Appellant being informed of the Selection Panel's decision under Clause 6.4

6.11 In the event of any Appeal, minutes of the Selection Panel's Selection decisions or of any Appeal hearing will be made available to the Appellant upon request and will be provided as soon as is reasonably possible. In some cases, it may be necessary to redact elements of the relevant minutes

The Appeal Panel

6.12 GBS will nominate an Appeal Panel of at least 3 members, none of whom sat on the Selection Panel, and none of whom are conflicted, and one of whom is independent. One of the members of the Appeal Panel shall have a legal background. The members will select a Chair of the Appeal Panel

6.13 The Appeal Panel must receive the Second Appeal Notice as per Clause 6.5 and within the timeframes outlined in Clause 6.10. The only fee required is when the Appellant first makes an Appeal to the Selection Panel. A second fee is not required if the Appeal reaches the Appeal Panel

6.14 The Chair of the Appeal Panel will convene a meeting to take place within a timeframe which allows the decision of the Second Appeal Notice to be reviewed and appraised by the Selection Panel

6.15 The Appeal Panel will investigate the grounds of Appeal set out in the Second Appeal Notice and establish, to their reasonable satisfaction, which of the outcomes set out in Clause 6.6 is appropriate. The Chair of the Appeal Panel will notify the Selection Panel and the Appellant, of their decision immediately after the meeting

6.16 The decision of the Appeal Panel, and if required, subsequent review by the Selection Panel, following the Second Appeal Notice is final. No further Appeal of the same initial grounds of appeal will be considered

A2: GBR SELECTION & PERFORMANCE REQUIREMENTS

A2.1 GBS' approach to selection is to best support athletes with medal potential for this World Championships and Paralympic Games or the next

A2.2 The Qualification Period for GBR athletes to meet the relevant Performance Standards outlined below is considered to be the 1st November 2026 to the 28th February 2027

A2.3 In addition to the Performance Standards outlined below, the Selection Panel will consider a range of factors when selecting athletes, these include the following (in no priority):

a. Medal Potential for the Tignes 2027 FIS Para Alpine World Ski Championships

b. Medal Potential for the French Alps 2030 Paralympic Games (multi medal will be prioritised over Gold medal)

c. Current form; recent results achieved at Sanctioned events in the 2025/2026 and 2026/2027 seasons

d. Race formats and quality/ depth of field where results have been achieved

e. Medal Potential for the 2034 Paralympic Games

A2.4 The Selection Panel has absolute discretion to nominate the athletes who in their reasonable opinion are most likely to achieve the best results at the WCH

A2.5 **Performance Standards:** For athletes to be considered for selection, they must meet the following performance standard:

a. A single result at a FIS Para Alpine Sanctioned European Competition in Slalom, Giant Slalom, Super-G or Downhill during the Qualification Period shown in A2.2, that is within 10% of Baseline. This result must also meet minimum FIS eligibility as stipulated in A1.3.1 or A1.3.2;

Downhill	45.65	170.65	18.68	143.68	123.90	248.90

A2.6 Selection for individual events (i.e. Slalom, Giant Slalom) will be discussed following the selection of an athlete. Selection for multiple events will be based on an athlete's ability to maximise performance opportunity. Athletes will be eligible to compete in any and all events where they meet the minimum FIS criteria, however, GBS reserves the right to withdraw an Athlete's entry into specific events on safety grounds. All decisions of this nature will be made collaboratively with the Athlete by the coaching team on the ground in Tignes, along with the Performance Director, Head Coach and Head of Paralympic Programmes.

A3. NOTES ON ALPINE BASELINE CALCULATION AND METHODOLOGY

A3.1 An Athlete's FIS Points in any given race are a direct reflection of their performance in that race and as such are a proxy for their time behind the winning Athlete. The FIS Points can therefore be used to accurately show how far, as a percentage, an Athlete is behind the best in the World.

A3.2 The Alpine Skiing Baselines are calculated by averaging the FIS Points of the top 5 Athletes on the yearly end of season Points List and then averaging this with the Baseline from the previous season. By including the previous seasons figure, we are able to ensure that historical performances are always factored into the Baseline but with the weighting for

previous seasons reducing by 50% each year. The average of the previous four season's baselines is then used as the overall baseline.

SCHEDULE B: VI GUIDES

B1. FIS QUALIFICATION & ELIGIBILITY

B1.1 At the time of publication, FIS had not published specific Guide Eligibility Criteria.

B2. GBR SELECTION & PERFORMANCE STANDARDS

B2.1 In the event that GBS selects a VI Athlete, Guides will be considered for selection

B2.2 GBS will only select Guides who comply with the Eligibility Criteria set out by FIS and GBS

B2.3 The Qualification Period for GBR Guides to meet the relevant Performance Standards outlined below is the 1st November 2026 – 28th February 2027

B2.4 GBS' approach to selection is to select Guides who can best support Athletes with medal potential for this World Championships or Paralympic Games or the next

B2.5 In addition to the Guide Performance Standards outlined in B2.6, the Selection Panel will consider a range of additional factors when selecting Guides, these include the following (in no priority):

a. Capability to support an Athlete to achieve potential medal winning performances at the Tignes 2027 FIS Para Alpine World Ski Championships (multi medal will be prioritised over Gold medal)

b. Current form; recent results achieved at Sanctioned Events in the 2025/2026 and 2026/2027 seasons

c. Race formats and quality/ depth of field where results have been achieved

d. Capability to support an Athlete to achieve potential medal winning performances for the French Alps 2030 Paralympic Games

B2.6 The primary factor in nominating a Guide will be their ability to support GBR VI Athlete(s) to produce the best possible performance at the Tignes 2027 FIS Para Alpine World Ski Championships. Critically, Guides will be assessed on their capability to support multiple Athletes across multiple events. To determine this, the panel will consider racing, performance and team dynamic criteria:

a) Ability to guide an Athlete to their best possible performances

b) Ability to guide an Athlete in multiple disciplines, evidenced by race results through the 2025/2026 and 2026/2027 seasons.
c) Ability to guide more than one of the nominated Athletes across multiple disciplines; this will have been evidenced through training and race data throughout the 2025/2026 and 2026/2027 seasons.
d) Current individual form and performance capability; i.e. be able to demonstrate elite racing capability, have a positive individual performance trajectory etc.
e) Assessment against the GBS Guide Matrix and performance against critical criteria through the 2025/2026 and 2026/2027 seasons.
f) Capability to guide the Athlete effectively at Athlete top speeds; i.e. the Guide must be demonstrably faster than the Athlete.
g) Ability to create an environment that best prepares a VI Athlete for a medal winning performance; AND
h) Their ability to positively contribute to the wider GBS Team at the Tignes 2027 FIS Para Alpine World Ski Championships.

B2.7 Selection to support a particular nominated VI Athlete (or Athletes) and selection for specific events will be discussed following the selection of Guides meeting the criteria outlined above. Guides will be allocated a Primary and Secondary Guiding role – this may be Athlete and/or event specific. Guide selection for events will be aligned to their VI Athlete event selection. Selection to a particular Guiding role will be based on the Guide's ability to maximise the performance opportunity. It is at GBS' discretion to select more Guides than VI athletes for performance reasons.
